Dear Ms. Johnson,

A Protestant is an individual objecting on the ground of private or public interest to the approval of an Application, Petition, Motion or other matters which the Commission may have under consideration. A Protestant may offer sworn testimony but cannot cross-examine witnesses offered by other parties.

Subject: SCANA/Dominion Buyout --Rate reduction

Dear Mr. Howard,

I understand you are my PSC representative and that I should direct any concerns I have regarding the proposed reduction in residential electricity rates.

I wholly support a 15% reduction, as opposed to the 7% that Dominion is proposing.

The Dominion proposal is a short term bribe to get consumers to buy into the buyout. It is beyond comprehension that we could be on the hook for another 10+ years to pay for a power plant that was never built. We should not be the ones paying for SCANA's years of mismanagement and ineptitude.

Please order the full 15% reduction. It is the right thing to do.

Sincerely,
Kristen Johnson
